
Dark Souls II

[SEYTER] The Game

July 9, 2017 - God of War: Learning from The Last of Us and Dark Souls. The emotional bond between Kratos and his son Atreus gives the game a fatherly feel. lore - the Souls series continues to gain a reputation as a benchmark. This game, like the previous Souls series, is an action-packed prequel to the God of War series of games (including God of War III, where Kratos first meets Atreus). The game begins with Kratos and Atreus returning to Sparta. Along the way, they meet Athena, who tells him that Zeus imprisoned his father Hephaestus (Zeus does not have enough energy to maintain peace, and Hephaestus interferes with him). Kratos and Atreus go to save their father. From this moment begins the passage of the game.
