Cut and paste your slides and pages With Moyea PPT to DVD Burner Pro 2022 Crack, you can cut and paste the contents of your PowerPoint files, or entire slides and pages, and insert them wherever you like within your DVD disc. More importantly, you will be able to add an optional movie as the background of the inserted slide. You can even add and remove from the background, if you desire, your own image and video. To use this feature, just choose any of the app's pre-designed backgrounds, preview them and then insert your own movie or image to add a custom background. Burn multiple slides and pages to a single DVD disc or Blu-ray disc You can burn multiple slides or pages to a single DVD disc or Blu-ray disc. You can also use Moyea PPT to DVD Burner Pro Crack Free Download to burn multiple slides or pages to a Blu-ray disc. With this feature, you can also opt to use a template to automatically add a custom background for each slide or page. You can even choose from among the available templates to create an attractive and balanced DVD/Blu-ray disc background. Add simple and extensive watermarks to your DVDs and Blu-rays If you want to create a disc with a standard, or an attractive, watermark, you can do so with Moyea PPT to DVD Burner Pro Crack Mac. To add a watermark, simply choose one of the available templates and you can customize it to your liking. You can then set the size and color of the watermark, add your own logo or even choose from among the available clip art and insert your own watermark image. You can also add a logo or other material to your DVDs and Blu-rays. Precisely edit the contents of your slides The app can also be used to edit the text contents of your PowerPoint slides. You can change the font and font color, simply choose from a pre-defined set of fonts or insert your own. If you want to change the size of your font, insert your own clip art or choose from a pre-defined set of clip art. You can even add a background image for your slides. To do so, choose one of the pre-designed templates and customize it to your liking. Insert your own background image With Moyea PPT to DVD Burner Pro, you can use the app's built-in editor to insert a custom background image. This is a
