The film is a sequel of 2015 animated film Doraemon: Nobita and the New Steel Troops. The film is directed by Keisuke Murai, written by Hisashi Koizumi and released on January 18, 2018 in Japan. The film premiered in Japan in December 2017, and was released in India on April 17, 2018. The film was dubbed into Hindi and Tamil by Sunmin International. Both of the Indian dubbing were released on April 20, 2018 in Singapore. Background It tells the story of Asimov's three laws and their moral implications, and a scientist who invents a robot based on them to change the world and use its children as test subjects. The film is a sequel of 2015 animated film Doraemon: Nobita and the New Steel Troops. The film is directed by Keisuke Murai, written by Hisashi Koizumi and released on January 18, 2018 in Japan. The film premiered in Japan in December 2017, and was released in India on April 17, 2018. The film was dubbed into Hindi and Tamil by Sunmin International. Both of the Indian dubbing were released on April 20, 2018 in Singapore. Plot The film begins with Doraemon and Nobita and the New Steel Troops watching an artist's performance in his house. Suddenly, a robot appears, followed by other robots. As the artist is taken aback, Doraemon leaps onto the robot's head to stop it. The robot starts counting stars and calls itself, but stops when Doraemon makes a wish. It then shows the current situation in the world, and the actor says the world is in a sad state, asking Nobita to save 4bc0debe42
