Jungle The Misunderstood 3-08-15 Jungle The Misunderstood 3-08-15 [HINDI] Jungle The Misunderstood is the most natural and realistic of the Jungle The Misunderstood series. Director, Shubhangi Kulkarni took inspiration from the storytelling techniques of its creator and his newfound, intense connection with animals. As Jungle The Misunderstood begins, a lion has cornered a female hyena. They are engaged in an intense battle, and her survival is all he can think about. She was a part of his life; a strong, capable animal. But now, her strength has been stripped away, and he is taking it with him. We see this as a natural sequel to Jungle The Misunderstood 1 and 2, which focused on the relationship between the male buffalo and the female hyena. Unexpectedly, the male buffalo has been shot in the leg by a poacher, and he and the buffalo recover in a safe sanctuary. But the lion and the hyena face a different challenge. Jungle The Misunderstood 3-08-15 Fully animated fiction series with evocative art,
