The Elden Ring Tale began with a single man. A reclusive hunter who had spent his life wandering the areas between the human and the beast. It was in this shadowy landscape, where the light and dark of the human world and the nightmarish world of the beasts co-existed, that he forged his great strength and forged his fame. In the night of the 10th day, the Hero of the Elden Ring, Iron King, spoke words of hope to his companion: "Through blood I have lived and with blood I shall lead you on. I shall tell of the love I have for this land, the love I have for this people." The Hero of the Elden Ring, Iron King, answered his companion with determination, "I shall be the Hero of the Elden Ring, for this land and this people I shall love." This Hero of the Elden Ring, Iron King, forged a great weapon that is rumored to have been an instrument of salvation, and sent his companion on the road that was to be his companion's path. However, the companion no longer appears at the Hero's side. The companion who was the road to salvation has gone missing. The Hero of the Elden Ring, Iron King, has only himself to rely on, and while he fights on in the world, his companions and his way are gone. A strong and honorable man, the Hero of the Elden Ring does not easily despair. However, the young man loses all hope and turns to a great magic. With the ability to travel great distances in a single step and gather new companions, the young man goes forth to look for his companion of so many years. An illusory hero wanders the world of the Elden Ring. The story revolves around you, the main character, known as "The Hero of the Elden Ring". The main objective of the story is to track down your companion of old, who was the hero of the Elden Ring, and to gain his hand in marriage. You won't control the main character, but will lead his party of adventurers by controlling the witch who leads them. By selecting allies and selling or buying cards to increase their strength, you'll make your way to the goal. You'll receive support and allies with every action, and with your actions, you'll become stronger and improve your skills. CUSTOM

"It was a simple and easy game that satisfied even me as a simple fantasy game-fan, and I was excited about what the rest of the cards would be like. I found it interesting how the cards are laid out on the screen and how they're drawn out in a simple way." "With a simple yet unique interface, clear explanations, and interesting gameplay mechanics, I was able to enjoy the game as the days went on, and it didn't take too long at that." "It's not easy to design a game that does two things and has an interesting system at the same time. However, whoever played this game would be able to say they had a great time." "The novelty and uniqueness of the game was a good feeling, and I highly recommend it."
