Features Key:

-
- FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.
 - PES 2018 brings a professional approach to gameplay, with six-player in-game squads, a new A.I. engine, a couple of new teams (New York City FC and Bayern Munich), and crowds that react to your decisions.
 - Pro Evolution Soccer 2018 combines authentic ball physics with unprecedented stamina and speed dynamics.
 - Deus Ex: Mankind Divided launches players into intense, immersive action. Mix stealth and gunfire, choose from four melee styles and seven weapons, and create your own stealth or combat style. In addition, Deus Ex: Mankind Divided introduces Augmented Impressions, a revolutionary new way to play as you become JD Redfield, the most influential profiler in the world.
 - Starting today, PS Vita TV users can experience more than 20 hours of NHL 19 on PS Vita TV! Download the latest version of EA SPORTS NHL 19 demo to get a first look at the most authentic and fun NHL experience on PS Vita TV in its class. Instantly capture and share every moment of the game thanks to built-in streaming features.
 - If you are new to Xbox Live, the Xbox Live Gold Membership is required to play online. Go to Xbox Live to sign in.
 - Starting today, Xbox One X owners can enjoy the enhanced RE7 gameplay and reveal. Follow the PS4 countdown to New Game Start and step into the nightmare that is Noremac Station.
 - For the first time ever, a player will be a part of their video game. Play to their strengths, in their shoes. Call of Duty: Black Ops IIII introduces new gameplay concepts like Multiplayer Free Roam, including free roam PvP modes, and Dead of the Night. Go deeper with Multipliers.
