We've made an exciting and different kind of music that brings people together, creates unity, and inspires a strong passion for life. By blending their music with their videos, we are creating a future that is more connected than ever." The band's music is an eclectic mix of Swedish folk songs, international dance music, a little bit of electro, rock and even some pop, but all of them peppered with elements of techno and funk. The members of the band come from different musical backgrounds: Marcus Dahlström: accordion/guitar/spatialized sounds. Lars Hedman: 4/4 electric percussion/bass/accordion. Tommy Rosen 595f342e71
