“A bit of a fantasy spin on Overwatch.” - IGN FEATURES [BATTLE] [DEFEAT] [GET CRAFTY] · Classic Overwatch Feel with New Tools Fire an unlimited number of projectiles at enemies, efficiently. The sophisticated attack formation is also featured. Catch on to your opponent’s attacks and evade them. Draw out your opponent’s weaknesses, fight them on their own turf. · Various Support Skills From damage boosting and healing, to purely defensive skills, each hero has a unique set of characteristics that can be drawn from. Many support skills, like the healing skill, not only reduce the damage you take from the enemy, but also make your own spells stronger. Each hero can recover your own magic power, or heal your allies from damage. · Stand Together, Clash Against Our Enemies Experience the thrill of facing down hundreds of enemies at once by engaging in action with the other players in your party. · Fun in the Dark A variety of PVE dungeons, and a place where you can experiment in PVP. You can have fun and experience the excitement of fighting through the dungeons while satisfying your thirst for loot. “It’s the best game I have played all year.” - Xseed Games

**ADDITIONAL INFORMATION**

The Lands Between is a new fantasy action RPG where you can create your own character and freely build his or her own story. At the start of the game, you are placed in the Lands Between, where you enter the world of the Elden Ring Torrent Download. In order to progress further in the Lands Between, you need to defeat Valkyr, the ruler of the Elden, and become an Elden Lord. You can choose from 17 unique heroes and create your own party. When you think the battle is lost, you can change your tactics and plan your next move. When you equip magic power, you can do more than you could have before. There are thousands of dungeons to discover. World-renowned sound and music composer, Hitoshi Sakimoto (Sound of FFX) The Valkyr boss fight that you can challenge is a new monster strategy. It is the first truly three-dimensional boss battle.

#### **Elden Ring Features Key:**

Vast World - With open fields and massive dungeon caves, the Lands Between is a vast world. You can freely wander and explore as you wish. You don't need to worry about getting lost.

- Fields and Dungeons
- Organized by Story Mode and Dungeon Mode
- 3-D Graphics and Augmented Reality
- Explore using the Hand Touching Vision and a Description where Gameplay Information is included.

Increased Muscle Strength - With higher strength, your character and your abilities more accurately convey your strength. You will be able to carry massive weapons and battle with enemies that you could not before.

Customizable Equipment - By equipping and combining weapons, armor, and magic, you can develop your character into whatever you desire. Become stronger, have faster movement, have the ability to fly, have light appear to give you vision when there is no light, and every decision you make will affect your character.

Flexible Magic - Define the protection level of an area, and use this as a base to develop your offensive, defensive, and healing spells. Magic spells have an effect slightly different from one category to the next, so they will feel smooth and easy to use.

- Will absolutely be able to enjoy the pleasure of creating your own magic
  - Add, edit, delete, and add as many magic as you like. Magic Effects can be edited in length.
  - Add, edit, delete, and add as many types of magic as you like. Unlimited combined magic.
