Uninstall These instructions will direct you to the original file so don't you think that this is an illegal file or one we stole? I'm happy to see that this game got its updates. To tell you the truth, I don't know why people pay 150 bucks for this game. I've played it for around 3 hours and I'm so pissed. The premise of the game is really bad. It needs a new character creation to make it interesting. For a game that cost 150 bucks, the developers should give the player more options like character creation and the freedom to advance. Just be wise when you download games. Don't waste your money. Well, this game stills look very interesting, because the story is like a classical fantasy. And that
