Seventeen-year-old Natalie Pena can't stand being cooped up at the deserted research facility she calls home. Her imagination lets her escape to her fantasy world of dragons and wizards, people who understand her a bit better than the scientists do. But when her family is torn apart by their mysterious benefactor, Natalie must learn the truth behind her superhero alter ego and the experiment she desperately needs to survive. Holding on to the hope of her family, she knows only one way out: an ancient quest to find the Riddle of the Sphinx and the key that will lead them home. A Spell to Break Her When magician Cle de-Lights gives Jenny Marie Sawyer her heart and all her magic, the jungle girl must learn to use her newly acquired powers to deal with her new existence. In the small kingdom of Fayre, a system of tokens grants privileges, and Jenny must summon all her courage and skill to prove to her father that she is worthy of being named kingdom princess. But the task is easier said than done, as Cle's dark side grabs hold, forcing Jenny into a danger-filled new life where she must master her new gifts if she's to survive. In the process, she must decide whether Cle can ever truly be trusted. A Wilde Season: High Tempest #1 In the third book of the High Tempest series by Heather Gudenkauf, a young prince becomes a true hero. He defends a village and saves three kidnapped friends. He puts aside the responsibility of being a prince and becomes a king. He leads the resistance against the horders in his lands. He does all this in a kingdom broken by a terrible disease that tears his world apart. In doing so, he challenges the gods, discovers dark secrets, and finds love. The Legend of the Spider King At heart, Diego Rodriguez is a lonely man, so it makes sense that he's drawn to an abused kid he meets on the dark and gritty streets of San Miguel de Allende, Mexico. Together, they make a dangerous and dangerous connection. Mixing real life and magic to create a story nothing like anything you've read before, New York Times Bestselling Author Jeffrey Deaver takes you on an unforgettable adventure that will challenge everything you thought you knew about the worlds we live in. Powers: Sacrifice #1 It's happening. My name is Hope. I am the Element of Hope.
