

The unique gameplay of Roko-Loko into Ratozinger's Castle is something that has never been seen before in a game, and on the PC platform. Roko-Loko has to have a companion in this adventure. The player can choose Adrina-Lina, a beautiful and independent rockstar, to play as a hero or use the famous characters of Roko-Loko's cartoon series to fight and explore the many dangers of the castle. Roko-Loko into Ratozinger's Castle game is a platform-styled action game. You will explore a huge castle with several dangers, enemies and dungeons. If you succeed at rescuing the rockstars and unlocking the castle doors, you will finally face the evil boss, Ratozinger. Roko-Loko and Adrina-Lina will have to solve several puzzles, overcome different attacks and see if they are capable of kicking the pants off the evil boss Ratozinger. Roko-Loko into Ratozinger's Castle game features the most definitive rock'n'roll soundtrack in the gaming world. Like the original game, this new version will also be made available on both Steam and GoG stores. About Roko-Loko: Roko-Loko is a character who's not only an expert on all things rock'n'roll, but also a dorky, self-deprecating, wiseguy who's a blast to hang out with. He loves rock'n'roll from its earliest days and has collected a ton of memorabilia, which he is often happy to share. About The Gameplay: Roko-Loko's adventure through Ratozinger's Castle will require a whole lot of reflexes and strategy. You will have to be careful and move on when your rockstar friend is in danger, but also use your buddies the same way you use your weapons in order to destroy your enemies. Roko-Loko and Adrina-Lina will have to avoid traps in their path, and collect powerups to help them out. How to play: Roko-Loko into Ratozinger's Castle is a platform-styled action game where you will have to solve many puzzles and defeat many enemies to rescue your friends.
