One of the textboxes is a calendar control which should allow the user to enter dates. I am using an unbound form instead of a datasource as the form is just used for entering a date. The problem I'm running into is the calendar control won't accept an empty string as a value for the date. The only value that will work is the current date. I have tried using the empty string (string.Empty) as the value for the date

Localizationtxtdllcallofduty4download

Some people may leave comments and solutions on my posts. Just here to help other people. I usually give the original author credit or at least add an author statement with my name and email. Wednesday, December 28, 2012 Hi, this message is for android phone users. I have set up a ftp server to get files for the application at your location. All you have to do is to login to the ftp server, pick the file you want from dropbox and click ok. Let me know if it works. Tuesday, October 30, 2012 US (localizationtxtdllcallofduty4download) Last Updated on December 28, 2012 2:49 am Aug 15, 2011 Oct 19, 2012 Please click for the file to download. The file is 25 MB in size. If you download a larger file, it will cause slower internet speed and will not be able to connect to the ftp server. So be quick and don't download the file more than necessary to your system. If you have any questions or problem, feel free to contact me. Sorcerer II The Sage Of The Warka's Flying Ring (KG6) Saturday, September 18, 2010 National Labor Relations Board (NLRB) Director for the Office of General Counsel Last Updated on June 13, 2010 7:26 pm The NLRB has filed a charge in the United States District Court for the District of Columbia against a company that allegedly wrongfully terminated an employee for engaging in protected union activity. The National Labor Relations Board's Office of General Counsel (OGC) has filed a charge alleging that a company terminated an employee for engaging in protected union activity. The charge, which was filed on behalf of Redwood Communications, alleges that the company discriminated against its employee when it terminated her. According to the NLRB, the employee, whose name was withheld, allegedly participated in protected union activity when she refused her supervisor's orders that she complete all field maintenance with P.E.
