January 6, 2018 â€” RAR fille ... On this day, exactly 9 years ago, in 2006, the RAR group's album "On the Edge" was released and during this period of time it became the only album, which, in one form or another, was released on vinyl. Also on this day, the collection "RAR - On the Edge" was released, which became the first official collection of the group, and also from this album the movement began to re-release all the group's albums. We are currently raising money for this project. Also on this day in 2009, the creation of the "RAR" group was announced.
