MS Office 2007 Enterprise (Activated And Tested!) Download

[Download](#)

I have a MS Office Enterprise 2007 key and a disk for installation, but mine is new. It is also possible to activate with keys for minor editions (only some .MSD files), but this will not work in Office Enterprise 2007 (also on WinXP SP2 x86) I found many solutions for "Office Enterprise 2007 x64" (but I don't know where to install them) so I thought I'll just try to do the same for Office Enterprise 2007 x86. So I found this: http://www.microsoft.com/en-us/download/details.aspx?id=30628 It was really helpful for me and it works great.
