the iTunes movie download limits in India? Did I break any laws  
when I was trying to download movies from iTunes? Is there an  
iTunes movie download limit in India? I checked in some places  
and it says there is no limit and I don't have to pay any extra  
money in India for downloading movies. Apparently, even though I  
was using my iPhone 7 that is unlocked, it was still in India. And,  
as a US resident in India, I was breaking a law in India to  
download it anyway, for that matter. Some friends told me I may  
get in trouble for downloading movies. The laws were very tough  
in India and it was difficult for some people to understand them. I  
read on a few forums
