William Faulkner's Faulkner weblog about the man and his work. The short stories he wrote during the twenties and thirties—such as The Go Ask Alice, Old Man, The Bear, and No place to run, No place to hide—now lie buried in virtual oblivion, each story a legend in its own right, each worthy of being read, for the sake of the individual words and images, as great as the creations of the Romantics. The story of the man himself is, however, of far greater interest to us. Fairly main memory of the bloke, what number of the memory, remains of him have been filtered away, chronicles and triangulated by historical reference and posthumous biographical study; and even the smaller details of his life in the middle 20th century are fraught with problems and uncertainties because of the vagaries of the saga of his daughter's son and the resulting man of letters'.
